

G-Snack Design SC8 Master Snacking, Solved!

THE COMPLETE SOLUTION

MODULAR SYSTEM

FOR SOLVING THE PROBLEM OF NARROW PASSAGES

An evolutionary snack machine presented with a new look. A spacious and brightly illuminated showcase enhances the product display. An innovative capacitive key pad with back lit numerals provide high visibility in light and dark places. New user friendly features offer a large display in blue characters with a new easy door latching system. New software features of shelf detection and secure vending system make the machine complete.
