

Order Code:

FGP8BW – Protect-a-lite 8 / white with standard lamp

With its discrete and attractive design the **Protect-a-lite 8** is recommended for use in domestic and professional environments.

The *Protect-a-lite 8* is designed to be placed as either a free-standing or wall-mounted unit.

The *Protect-a-lite 8* uses a powerful ultraviolet lamp which attracts flying insects. On the inside of the unit a glueboard is placed on which the insects are trapped. This glueboard is placed out of sight providing discrete control of the flying insect pests.

Protect-a-lite 8 is easy to install, easy to service and safe to use.

Protection is IP20. *The unit is designed for indoor use only.*
