

PURSAN® Alcohol Hand Cleanser

Technical Sheet

Product Description

Pursan® 70% Alcohol Hand Cleanser only uses high grade alcohol. This leaves hands feeling fresh and clean with no residue or unpleasant smell, whilst helping to keep them moisturised.

Recommended Use

Pursan® is ideal for use in any environment where conventional hand washing is not available or simply in addition to your usual hand washing routine.

Features & Benefits

- Bottled in Northern Ireland to ISO 9001 & ISO 14001 standards, our 70% alcohol based cleanser leaves hands fresh and clean with no residue or residual smell, whilst helping to keep them moisturised.
- Available in: 1L, 500ml, 100ml or 60ml bottles.
- Our 60ml and 100ml bottles come with an atomiser which helps provide excellent dispersal coverage across hands and they are easily carried, which means you can have clean and fresh feeling hands wherever you are.
- Our 500ml bottles comes with an atomiser or trigger spray which helps provide excellent dispersal coverage across hands and surfaces.
- Our 1L bottle comes complete with a screw cap to allow you to refill existing wall mounted liquid dispensers.
- The go-to solution for cleaning both hands and surfaces, the high quality alcohol content leaves hand and surfaces clean and fresh with no residual smell or residue.
- Ideal for the workplace and public spaces the trigger spray gives a full, even coverage of hands and surfaces.
- Compatible stands are also available to safely display your Pursan® 500ml bottle for use at entrances and other locations in your premises such as beside printers, coffee areas, etc.
