UnicornHygienics

Introducing Selenei Refill Packs - an all-in-one solution for shared washrooms. Each pack offers quick, hygienic access to individually wrapped pads and applicator tampons, with easy dispensing.

Compact, lightweight, and versatile, they can be wall-mounted or freestanding with no drilling required. Full-pack replacement makes restocking fast and simple.

Designed to support Period Dignity initiatives, Selenei Refill Packs make period care convenient, discreet, and accessible for everyone.
