DUO SYNCHRO SPIRAL

An innovative system with a double motor drive that rotates perfectly synchronized in distance. Ideal for wide and bulky products.

SPEEDY ELEVATOR

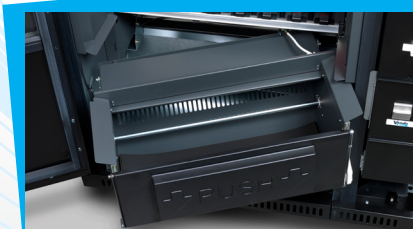

Delicate and/or fragile products can also be sold at eye level position. Speedy delivery of the products is guaranteed!

SANDWICH/BAQUETTE KIT

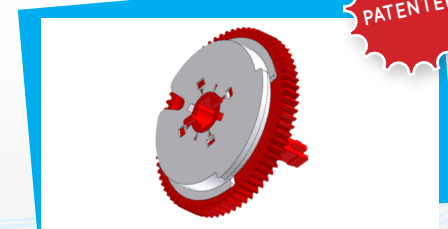

REMOVABLE DELIVERY EYELET

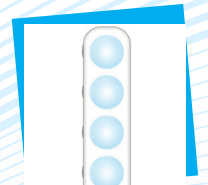

A unique feature, a completely removable delivery eyelet. Easy access for maintenance and cleaning!

COUPLING SYSTEM

COUPLING SYSTEM for easy spiral orientation. This spiral can be easily positioned in 8 angles, without removing at all. Simply turn the spiral to set the ideal position. We are the first and only one to introduce this innovation in the market.
