

ACIS

520 SERIES

The ACIS 520 point of use water dispenser offers a unique design with its white exterior, clear, intuitive push-tap controls and integrated cup dispenser.

Utilising a reservoir chilling facility, the ACIS 520 offers a clean, minimalist design and sophisticated good looks, ideally suited for a majority of locations including the health, office and industrial sectors.

This exclusive cooler is also available from Azure in a bottled unit should you require a greater level of flexibility; the ACIS 720.
